BOOKS RECOMMENDATIONS

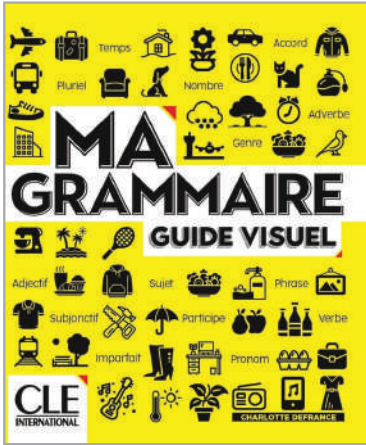

FORÊT DES FRÈRES
(RECOMMENDED BY CATHERINE, LIBRARIAN)

A clever approach to ecology in a few words. In the beginning, there are two brothers: one on each page. Each inherits half a forest. In each forest a mysterious young girl welcomes them, symbolising the spirit of nature. The first brother settles in simply, enjoying nature as it is. The second brother has big plans and is not afraid to change the landscape drastically.

The reader is inevitably drawn into Yukiko Noritake's rhetoric facing this contemporary dilemma: what will you choose for tomorrow?

An album that will captivate children aged 7+ and adults. For French learners at A1 level and above.

MA GRAMMAIRE - GUIDE VISUEL
(RECOMMENDED BY LENA, AF STUDENT)

This is a complementary reference guide to the EditoTextbook. The visual illustrations and specific examples are really useful for revision and aid recall of what is taught. I really enjoyed going through this book and it's a snapshot of what I have learnt thus far and what's to come.

This book is suitable for French learners at A2 level and above.

METHODOLOGY & TEXTBOOKS

IMMERSION

At Alliance Française, we believe immersing students in French is the best way for them to quickly become proficient. Right from day one, the objective is to make them use and play with the language.

TEXTBOOKS

All our courses have targeted learning objectives that are explained by the teachers and that have to be fulfilled in a term. In order to develop the greatest proficiency, we use up-to-date textbooks that include audio and video files as well as online exercises to practise outside the classroom.

ALLIANCE FRANÇAISE CERTIFICATES

In-house assessments are conducted at different stages of the curricula. Alliance Française provides certificates of completion based on the results.

For official certifications, Alliance Française is the only examination centre in Singapore offering the internationally recognized DELF/DALF examinations.

MANDARIN CLASSES

LET'S PLAY! SPOT THE DIFFERENCES

COOK LIKE THE FRENCH DO

INGREDIENTS

FOR THE MACARONS:

- 175g powdered sugar
- 120g almond flour
- 3 large egg whites (room temperature)
- 50g granulated sugar
- Food coloring (optional)

FOR THE FILLING (BUTTERCREAM):

- 115g unsalted butter (softened)
- 200g powdered sugar
- 1 tsp vanilla extract or other flavoring (optional)
- 1-2 tbsp heavy cream or milk (to adjust consistency)

MACARONS

DIRECTIONS

1. MAKE THE MERINGUE:

- In a clean, dry bowl, whip the egg whites until frothy using a hand or stand mixer on medium speed.
- Gradually add the granulated sugar and increase the speed to high. Whip until stiff, glossy peaks form.
- Add food coloring if desired and mix gently until combined.

2. MIX THE BATTER (MACARONAGE):

- Gently fold the almond flour mixture into the meringue in batches.
- Use a spatula to fold until the batter flows like thick lava. When you lift the batter with a spatula, it should form a ribbon that dissolves back into itself after 10 seconds.

3. PIPE THE MACARONS:

- Transfer the batter into a piping bag fitted with a round tip.
- Pipe small circles (about 1.5 inches in diameter) onto the prepared baking sheets.

4. REST THE SHELLS:

- Tap the baking sheets firmly on the counter to release air bubbles.
- Let the macarons rest at room temperature for 30-60 minutes until a skin forms. They should no longer be sticky to the touch.

5. BAKE:

- Bake one sheet at a time for 15-17 minutes at 150°C. The macarons are done when they have risen to form "feet" and the tops are firm.
- Let them cool completely on the baking sheet before removing.

6. PREPARE THE BUTTERCREAM:

- Beat the softened butter until creamy.
- Gradually add the powdered sugar and beat until smooth.
- Add the vanilla extract and 1 tablespoon of cream or milk, beating until the desired consistency is reached.

7. ASSEMBLE THE MACARONS:

- Pair similar-sized shells together.
- Pipe a small amount of buttercream onto the flat side of one shell and sandwich it with the other.
- Refrigerate the assembled macarons for 24 hours for the best texture.
